SECOURIR NOS VÉTÉRANS SANS ABRI

The Board of Veterans' House Canada welcomes J'lyn Nye as a new Director.

Delivering on its mission of: *Helping homeless veterans build a better future by providing permanent, affordable and supportive housing.* Veterans' House Canada welcomes J'lyn Nye to its board.

Veterans' House Canada (VHC) provides a unique, veterans-only setting where residents live within a supportive community of former military members, and with all the support, counselling and peer mentoring they may need to mitigate the causes of their homelessness and to thrive as they reintegrate into the wider community.

With one fully operational Veteran home in Ottawa ([Andy Carswell Building](#)) and another coming to [Edmonton](#), VHC is progressing with its plan to establish a coast-to-coast network of five such permanent and supportive housing for Veterans.

We sincerely welcome J'lyn's considerable professional expertise, as well as her demonstrated commitment to the members of the Canadian Armed Forces, to our fight against veterans' homelessness.
